- From the front entrance (facing the information desk) go south down the hallway to your left.
- At the end of the hallway turn right thru the glass door (notice the Medical Office Building directory sign posted next to the door).
- Follow the hallway to the end, then turn left, next turn left again.
- The first floor offices are straight down the hallway to your right.
- For floors 2 & 3 take the stairs or elevator, on your left.
