

Thank you [Craftpassion.com](http://craftpassion.com) for this Face Mask Template.

MATERIALS

- Main Fabric (cotton), 12" x 6", prewash
- Lining Fabric (cotton or flannel), 10" x 6", prewash
- Elastic cord for ear loops 16", or, shoe lace/ribbon/cord with at least 44" length for head tie

INSTRUCTIONS

- Fold the main fabric in half with the wrong side facing each other, pin pattern (men's and women's size attached pages 3-6) onto the double-layered fabric.
- Note: pattern includes 1/4" allowance, with 1" seam allowance at the ear side.
- Trace sewing lines if needed.

STEP 1: Turn the face mask main piece with right side facing each other, sew the centerline of the face mask.

STEP 2: Clip curve along with the seam allowance, be careful and don't accidentally clip on the stitches.

STEP 3: Press seam allowance to one side, topstitch near to the seam line on the side where the seam allowance is.

Thank you Craftpassion.com for this Face Mask Template.

Repeat STEP 1-3 to sew the lining – note that the pattern is slightly smaller.

STEP 4: Flip the lining and place onto the main face mask – right sides together – and align the center seam line. Sew the top and bottom lines (keep sides open).

STEP 5: Turn the face mask right side out. Press seam neatly and topstitch near the edge.

NOTE: This is how it looks like from the inside at this stage. The main fabric of the side ear area is longer than the lining piece. This is going to be the pocket of the elastic band.

STEP 6: Fold in 1/4" at the raw edge of the side ear, fold again so that the first fold edge is 1/4" from the lining raw edge. Sew a straight line down, don't forget to perform a few back stitches to lock the thread end.

Measure and cut the length of the elastic band needed (usually around 6"-8" depending on the size of the face). Insert the elastic band through the pocket and tie a dead knot to the ends. Repeat the same to the other side. Pull the elastic band until the knots are hidden in the pocket.

Wear and breathe normally!
