

The Nancy Malo Scholarship Fund for Natural Family Planning Education

Join us in celebrating Nancy's retirement from CMC by making a gift to honor her legacy.

Nancy Malo began her medical career as a respiratory therapist yet felt truly called by God to provide better instruction to families and couples around Natural Family Planning. She became Catholic Medical Center's Natural Family Planning Instructor in 1983.

For 37 years, Nancy worked tirelessly to educate on the loving values of Catholic healthcare and embodied what is truly meant by protecting the dignity of every human person. Believing in the mission of her Catholic values, Nancy advocated for years to bring an approach to women's reproductive health that uses natural methods and restorative surgery to treat conditions. This has become the cornerstone of establishing the Women's Wellness & Fertility Center at CMC. It is the only such practice in New England. This unique practice just celebrated its 5th anniversary.

In 2022, Nancy received the Saint Martin dePorres award, an annual award presented by the NH Guild of Catholic Health Professionals and Bishop Peter Libasci to an individual who has exemplified the virtues of Catholic healthcare in her or his career. In honor of her years of dedicated service, and her continued involvement as a part-time employee, CMC is proud to establish the *Nancy Malo Scholarship Fund for Natural Family Planning Education*.

How will your gift make a difference?

Your charitable gift will help offer \$600 scholarships to low-income patients who would like instruction in the Creighton Model FertilityCare™ System which relies upon the standardized observation and charting of biological markers that are essential to a woman's health and fertility. In addition, unlike traditional birth control, there are no side effects or costs and it provides women the added benefit of being able to monitor and maintain their procreative and gynecologic health over a lifetime. This care is not covered by insurance.

Ways to Give

You may make your donation via check or donor advised fund and mailing it to: Catholic Medical Center, Philanthropy Department, 100 McGregor Street, Manchester, NH 03102. You may also make an online donation at www.catholicmedicalcenter.org/giving. For more information, please contact Jennifer Higgins Pitre, Vice President of Philanthropy at 603.665.2569 or Jennifer.Pitre@cmc-nh.org.
